Note: This program is not to be used to substitute Child-Care or Daycare services! Recreation Staff will supervise the children during activities but are NOT responsible for keeping track of children at the program or park site for the duration of the program; Children can come and go as they please. It is solely the responsibility of the parents, legal guardians and daycare providers to supervise their children to ensure their safety. Program participants may be photographed during the course of the activity, and authorize the City and/or its program sponsors to use photographs and likenesses for marketing, publicity, promotion and/or advertising purposes. This institution is an equal opportunity provider and employer. Información será traducida al español a petición de [cityclerk.info@cityofbg.org](mailto:cityclerk.info@cityofbg.org)
